Same phone. Different story.

You can own an iPhone at a pocket-friendly price. Every certified pre-owned iPhone goes through testing to ensure 100% functionality, with the only difference being its condition outside.

At Cell C, we offer A Grade and B Grade pre-owned iPhones with value-added extras.

The difference between the two?

A Grade.

- The Near-Mint.
- Looks like it just came out the wrapped box with little to no visible wear.
- Same performance, pristine finish.
- This one also comes with a 2-year warranty on hardware and battery (Phonecheck certified).

B Grade.

- The Gently Used.
- This one shows a little more character on the outside, with little scratches or scuffs from everyday life.
- Same performance, smaller price tag.
- This one also comes with a 1-year warranty on hardware and battery (Phonecheck certified).

Whichever grade you choose, we've literally got you covered. Each grade comes with a screen protector and cover, so your iPhone stays as good as the day you got it.

Smart value. Certified iPhone.
