A. Introduction

1. Welcome to Hollard

This policy is intended to give you peace of mind that you will be covered when your device is accidentally damaged.

We will pay a claim during the period of insurance on the following conditions:

- Your premiums are paid up to date.
- You comply with all the terms and conditions of this policy.
- No exclusion listed in your policy wording applies to the claim.

2. The parties to this policy

This policy is a legal contract between the policyholder and Hollard. Only the policyholder has rights under this policy.

- **'Hollard', 'we', 'us' and 'our'** refers to **The Hollard Insurance Company Limited (Hollard)**, (Reg. No. 1952/003004/06), a licensed Non-Life Insurer and an authorised Financial Services Provider.
- **'You' and 'your'** refer to the **policyholder**, named in the policy schedule, who is the owner of the policy.

3. Your policy is a legal contract

Your policy is a legal contract which includes the application for insurance, the policy schedule and the policy wording. You must read your policy wording and policy schedule together.

- **The policy wording** (this document) includes all the terms and conditions that apply to your cover.
- **The policy schedule reflects** information including details of the policyholder, the period of insurance, the premium, details of the device and the insured value. If you find any errors on the policy schedule, please call Worldwide Advisory Services on the helpline number at the bottom of the page.
- **The application** is the physical or electronic form that you completed where you asked us to insure you under this policy, and where you agree to pay the premium. If this policy was sold to you telephonically, the recording of the conversation we had with you will be part of this policy. If you make any changes to the policy after the cover start date, the physical or electronic form you completed, or the recording of the telephonic conversation we had with you when you made the changes, will also be part of this policy.
- Make sure you understand what you are covered for, what you are **not** covered for (referred to as exclusions), and what your responsibilities are. [For your convenience, anything that could lead to your cover being cancelled or claims being rejected is shown in this colour.](#)
- Any changes will only be in place once we have agreed to them, and have sent you a new policy schedule and policy wording.
- This policy wording replaces all previous policy wordings.

4. Rules on interpretation

- The policy will be governed by and interpreted in accordance with South African law in terms of the jurisdiction of the courts of South Africa.
- The headings in the policy are for reference only and will not affect the meaning of the terms and conditions to which they relate.
- Days refer to ordinary calendar days, including weekends and public holidays.

Examples: We include examples in your policy to help you understand your cover, and to explain certain insurance principles. These examples do not form part of the legal contract.

5. Our correspondence with you

We will assume that you have read and received our correspondence if it was sent directly to you on the email address or cell phone number as shown in the policy schedule. If we take legal action against you, the summons will be delivered to your physical address as shown in the policy schedule.

6. The privacy of your personal information

We care about the privacy, security and online safety of your personal information and we take our responsibility to protect this information very seriously. Below is a summary of how we deal with your personal information. For a more detailed explanation, please read our official Privacy Notice on our website.

- **Processing your personal information:** We have to collect and process some of your personal information in order to provide you with our products and services, and also as required by insurance, tax and other legislation.
- **Sharing your personal information:** We will share your personal information with other insurers, industry bodies, credit agencies and service providers. This includes information about your insurance, claims and premium payments. We do this to assess claims, prevent fraud and to conduct surveys.
- **Protecting your personal information:** We take every reasonable precaution to protect your personal information (including information about your activities) from theft, unauthorised access and disruption of services.
- **Receiving marketing from us:** We will not use your personal information to send you any information about products or offers from Hollard or Hollard's partners. Remember that we will still send you communications about this product.

7. Cooling-off period

If no insured event has happened during the first 30 days after your cover start date, you may cancel your cover with effect from the cover start date. You must tell us within 30 days from the cover start date and we will pay back all the premiums you have paid for the cancelled cover.

4. Combat insurance fraud

Fraud affects the insurance industry as a whole. It increases claims costs, which in turn increases premiums. Hollard is committed to prevent fraud and we have our own internal Anti-Fraud policy. Please report any suspicious or unethical activity anonymously on 0801 516 170 (toll free) or via email at Hollard@tip-offs.com.

5. About your policy

This is a Non-Life Insurance Personal Lines policy. Please refer to your policy wording and policy schedule for the following information:

- The complete nature and extent of cover.
- Your premium payment responsibilities, manner and frequency thereof, and the consequences of non-payment of premium.
- Remuneration, commission, fees and incentives paid to other parties.
- Special conditions, exclusions, excesses or restrictions; and how to cancel your policy.

C. Definitions

Cell C	The cellular network provider where you have a subscriber agreement.
Excess	The amount you must pay in respect of each and every device claim.
Device	The Cell C issued device which bears the IMEI number as shown in the policy schedule, excluding any accessories and additional batteries. This device may be a cell phone, dongle or any equipment that has a place to install a SIM card or have the ability to attach to outside equipment that could carry a SIM card.

SIM card	The subscriber identity module (SIM) encoded with your cell phone number as shown in the policy schedule that is used with the device.
Subscriber agreement	The agreement entered into between you and Cell C which allows you access to the cellular network at a fixed monthly access fee.

D. Your responsibilities

1. Keep to the terms

You must keep to the terms and condition of this policy. [If you don't, we may reject your claim.](#)

2. Tell us if you change your device

You must notify us by contacting Worldwide Advisory Services on the details at the bottom of this page if you change or upgrade your device, to make sure that you remain covered. [If you don't, you will not have any cover under this policy because the IMEI number on the policy schedule will not match your new device.](#)

3. You must be honest

All dealings about this policy must be done honestly and in good faith. [If you are involved in fraudulent behaviour, we will cancel your policy from the date of the fraud. You will lose your right to claim and we will not pay back any premiums we have received. We may also take legal steps to recover any expenses from you.](#) Examples of fraudulent behaviour are giving us false information or documentation about a claim or exaggerating the amount of a claim.

4. You must maintain your device and prevent damage

- You must maintain your device and take all reasonable steps to prevent damage and to minimise the cost of a claim.
- After an event you must also take reasonable steps to protect your device from further damage.

5. You may not transfer your rights to another person

This policy does not give any rights to any other person or entity other than the policyholder. You may not transfer your rights to benefits payable under this policy to another person or entity. This is known in law as a cession. [If you transfer your rights to another person or entity, we will not recognise that contract. We will continue our contract with you as if you had not contracted with someone else.](#)

E. Premiums and changes to the policy

1. Period of insurance and commencement of insurance

Cover starts on the cover start date set out on the policy schedule, [but only if you have made at least one successful call or sent an SMS to one of the cellular networks within 24 hours of the cover start date.](#) This policy is valid for one calendar month and cover will continue on a month-to-month basis as long as premiums are paid. The policy is automatically renewed every time that you pay the premium.

2. Premiums

Cell C collects the premium amount from you as part of your monthly Cell C account payment via one debit order.

- Cell C pays the monthly premium to us, before they collect it from you as part of your monthly Cell C account payment.
- Cell C will add a pro-rata premium to your Cell C account to cover you from the cover start date until your first Cell C account debit order date. After this, each month's premium will cover you from your Cell C debit order date to the next debit order date.
- If any Cell C account debit order fails, it means that you owe Cell C the amount of the premium that they have already paid to us on your behalf.

- You will have 30 days (known as the grace period) to pay your account (including the premium amount) to Cell C. Cell C will attempt to debit your bank account for your outstanding account in this 30-day period and if that collection is successful your cover under this policy will continue.
- If the outstanding amount is not received by Cell C in this 30-day period, this policy ends automatically at midnight on the last day of the month for which you have paid your Cell C account.
- If you have a claim during the 30 days, you must first pay your outstanding cell phone account (including the premium amount) to Cell C, before we will consider your claim.

3. Changes to this policy

- We may increase the monthly premium and/or change the cover provided under this policy at any time by giving you 31 days' written notice.
- If we settle a claim by replacing the device you may amend your existing policy by asking Worldwide Advisory Services to cover the replacement device under this policy. Worldwide Advisory Services will issue you with a new policy schedule including the details of the replacement device and your premium and excess might be different.

F. Your device cover

1. Insured event

We will cover your device against accidental damage during the period of insurance.

2. How we will settle your claim

We may choose to repair or replace your device. **No claim will be paid out in cash.**

- If the device is repairable, we will pay our approved repairer the reasonable costs to restore it to its condition immediately before the insured event.
- If the cost of repair is 70% or more than the value of the device, we will consider it to be irreparably damaged and will replace the device as follows:
 - If the same make and model of the device is still available on the market or from the suppliers, we will replace your device with the same make and model.
 - If the device is no longer available on the market or from the suppliers, we will replace your device with a different make or model with the same or similar features and quality.

3. Excess buy-down – Optional benefit

If you choose this optional benefit and pay the extra premium shown in the policy schedule, we will reduce the total of the basic excess you have to pay by 50%. For example, if your excess would have been R1 000 it would now be R500. This reduction does not apply to any additional excess you have to pay. This option is only available for devices that are worth more than R7 500.

4. Claim limits

- We will provide cover for a maximum of two claims in any 12 months.
- If we replace your device, the value of the replacement device will be the lesser of:
 - the value of the insured device as at the date of the insured event; and
 - the maximum insured value shown in your policy schedule.

5. Conditions of use

- You must make at least one successful call or send an SMS to one of the networks within 24 hours of the cover start date.
- We will only consider a claim if the device was used to make or receive a call, or to send or receive an SMS during the 30 days prior to an insured event. The call or SMS must be linked to the cell phone number shown in your policy schedule.

6. Conditions of cover

- The device must belong to you or a member of your family for whom you are financially responsible.
- The IMEI number on the device must match the IMEI number that is shown in the policy schedule.

G. Exclusions – what we do not cover

We will not pay a claim for damage in any of the following instances:

1. Accessories

No cover for damage to batteries (other than when they are damaged together with the device), accessories and car-kits.

2. Confiscation or similar acts

We do not cover you for any damage or costs because the Police or any other authority legally took possession of your device for any period.

3. Consequential loss

No cover for consequential loss of any kind whatsoever, for example, data wiped from device, or loss of business income.

4. Damage from the following causes

No cover for damage from the following causes:

- Wear and tear, maintenance, depreciation, deterioration or other gradually operating causes.

- Insects, termites, mildew, damp, corrosion, oxidation or rust.

6. Devices under warranty

No cover for a device that is covered by the manufacturer's warranty.

7. Mechanical or electronic breakdown

No cover for damage caused by mechanical or electronic breakdown, failure, breakage or instability.

8. Trade and economic sanctions

We cannot provide any cover if that means we would not comply with trade or economic sanctions. If we find out that you are subject to such sanctions, we will cancel your policy from the cover start date or the date that you become subject to sanctions. We will refund any premiums paid by you and will not pay any claims.

9. Viruses

No cover for any damage caused by electronic viruses.

10. War, terrorism, riots and protest actions

No cover for any damage related to or caused by war, terrorism, riots, protest actions, public disorder or any attempted act of this kind.

Any device that we decide is uneconomical to repair is our property and we may sell it to cover our claims cost. The device and any proceeds received from the sale of the device will be ours.

3. Our liability

Our liability in terms of this policy is conditional on you, or anyone acting on your behalf, keeping to all the terms and conditions of this policy. All claim settlements are subject to the verification of the validity of any claim. If we reject a claim, we may ask you to pay back the cost of any payments we may have made for that claim. Once we have settled a claim, we have met our responsibilities to you under this policy. We will not be responsible for any other costs relating to that claim.

4. If you do not agree with the claims decision

If you do not agree with the claims decision or the amount of the claim you may ask Hollard to review your claim by following the claims process explained in **Section I: How to complain**.

5. Prescription period

Your claim will prescribe after 12 months from the date of the insured event, unless:

- you have referred your claim to the Ombudsman for Short-term Insurance; or

When your claim prescribes, it means that you have lost your right to claim and we will no longer be legally responsible to pay the claim.
