

TERMS AND CONDITIONS – CELL C CONTRACT DATA PROMOTION

General

1. It is important that you understand and agree to these Terms and Conditions in order to make use of the Cell C Contract Data Promotion.
2. All prices shown include VAT.
3. The Contract SmartData offers are available for a monthly fee, which shall include:
 - a Cell C data enabled SIM card;
 - Data which shall be equally allocated every month for either 12 (twelve) or 24 (twenty four) months, depending on the contract term; and
4. Standard credit vetting processes and business rules apply. These Terms and Conditions can be found at <http://www.cellc.co.za/terms-and-conditions> or at a Cell C store.
5. All standard Terms and Conditions of Cell C (Pty) Ltd and Cell C Service Provider Company (Pty) Ltd apply.
6. Standard RICA processes and business rules apply. These processes and business rules can be found at <http://www.cellc.co.za/about/rica>
7. Your connection speed will depend on the speed stick, router or device used, the coverage in your area and the network conditions.
8. You will receive your first pro-rated data allocation as soon as RICA is completed and your line is activated.
 - a. The initial pro-rated data allocation will be valid until the end of the calendar month that it was activated in.
 - b. New monthly data allocation will be loaded on the first of every month at 00:00:01.
 - c. The monthly data allocation will expire at the end of every calendar month at 23:59:59.
9. Data may not and cannot be transferred from one user to another or converted into Rand value.
10. Upon expiration there shall be no rollover of unused Data to the following month or year.
11. Once the 12 (twelve) or 24 (twenty four) months have expired, the account will default to a month to month basis, with an option to renew your contract and select an appropriate contract data plan.
12. Once the included Data value has been depleted, additional data usage will be charged according to the applicable tariff plan, and debited to your account.
13. You will be billed at the end of the month for any data usage that exceeded the inclusive data allocation in the case of postpaid.
14. You can also purchase additional data bundles to add to your account
15. Nite Data has been included across all Postpaid and Top Up SmartData plans.
16. The out of bundle rate across all data plans remains unchanged at R0.99 (ninety-nine cents) per MB.
17. The billing increments will be at 25KB
18. All existing Data business rules apply.

19. Standard data bundle rules apply which can be found at <http://www.cellc.co.za/datacontract-packages>
20. The SmartData plans offer usage across all services, example voice, SMS, MMS, etc
21. Usage on the other services (Voice, SMS and MMS) shall be billed as per your applicable tariff plan rates.
22. Cell C reserves the right at any time to amend these terms and conditions, on notice to you, or to withdraw the SmartData offer. In such event, it is important that all subscribers who have activated the SmartData offer understand that they waive any rights that they may have against Cell C and hereby acknowledge that they will have no recourse or claim of any nature whatsoever against Cell C, their directors, affiliates, members, partners, employees, sponsors, agents or consultants.
