Dear Valued Cell C Customer

CELL C PRODUCT AND PRICE CHANGES

1. As you have been advised certain pricing changes which will come into effect on 1 July 2018.
2. We confirm that in terms of your subscriber agreement with Cell C, as well as the Consumer Protection Act, Cell C has the option of varying any of its charges from time to time, by means of publishing an amended tariff plan and submitting such tariff plan to ICASA, and by informing you before any of these charges are varied.
3. Please note that these charges include applicable connection fees, subscription fees, usage charges, SIM card fees, goods fees and any other charge relating to the provision of Cell C's services to you in terms of your subscriber agreement.
4. Cell C will submit the amended tariff plan information to ICASA as per the current regulations.
5. Cell will also ensure that all our affected customers will receive reasonable notification of these pricing and product changes via one or more of the following methods: SMS, pop up messages on data devices, monthly invoices, or on the Cell C website.

Thank you for your continued support as one of our valued and loyal customers.

Yours sincerely

Cell C Limited

PRICING CHANGES 01 JULY 2018

As from 1 July 2018 the pricing of certain Cell C Contract plans and services will change, which will include certain out of bundle price changes.

All prices listed in the tables below are inclusive of VAT at 15%.

The change details have been split by plan for ease of reference.
